

MICRO-SURFACE

TufBuf Polishing Pads

BLACK LAMB-"The TufBuf"

Designed to repair clearcoat finishes, our premium pads are made of the finest natural shearing lamb hides available. The Black Lamb is so durable, well-balanced, and effective that major automotive manufacturers insist on it by name. Trademarked for your protection, don't settle for anything less than a Black Lamb, "The TufBuf" made exclusively by Micro-Surface Finishing Products, Inc.

Ⓜ LEAVES CLEARCOAT FINISHES WITH LESS HAZE AND SWIRL THAN CONVENTIONAL POLISHING PADS.

Ⓜ MORE DURABLE THAN CONVENTIONAL PADS. FIBERS CAN BE COMPRESSED AND STILL RECOVER THEIR NATURAL SHAPE.

Ⓜ THE DENSEST PILE OF ANY MATERIAL. LESS SHEDDING. 60,000 FIBERS PER SQUARE INCH VS. 13,000 PER SQUARE INCH FOR SYNTHETIC PADS.

Ⓜ DENSER PILE SURFACE DISTRIBUTES AND APPLIES MATERIAL EVENLY AND CONSISTENTLY.

Ⓜ NATURAL FIBERS ARE TAPERED WITH SCALES COVERING EACH FIBER SHAFT. NO SPLATTERING OF APPLIED MATERIALS - NO SCRATCH MARKS.

Ⓜ A VARIETY OF SIZES IN DURABLE HOOK 'N LOOP BACKING ARE AVAILABLE.

Ⓜ MADE IN THE USA, QUALITY GUARANTEED. GUARANTEED.TS.

REDUCE WASTE WHILE SAVING PRODUCTION COSTS!

Ask your Micro-Surface Sales Representative how you can take advantage of our unique Rebuf Reconditioning Program. Our durable TufBuffs are designed to be reconditioned again, and again saving you unbelievable production costs.
